

UNSW
SYDNEY

Who owns the data on the Data Archive?

The data is owned by the researcher who has ownership of the Research Data Management Plan associated with that data. Access to the data is controlled by the Lead Chief Investigator and any delegated Research Project Managers.

At the end of a research project, which has been hosted by UNSW, research data and materials remain the property of UNSW, unless subject to a third party agreement.

Help and further information:

- To learn more about the Data Archive:
 - go to the Start here page
 - see all Help Topics
 - see all Frequently Asked Questions (FAQs)
 - browse through the carousel on the homepage to view all available videos
- To access the Data Archive Web application, use this link, or, go to the Home page for other access options
- To create, or update, a Research Data Management Plan go to the ResData service
- **Note:** the Data Archive service is also available over SFTP, see the SFTP client guide for more information
