Data Archive and mobile devices?

Testing with mobile devices and the Data Archive Web application has shown limited functionality. You will be able to login, browse, and search when using a mobile device.

Note: file and folder download is possible with OS (Apple) devices.

Help and further information:

- To learn more about the Data Archive:
 - go to the Start here page
 - see all Help Topics
 - see all Frequently Asked Questions (FAQs)
 - browse through the carousel on the homepage to view all available videos
- To access the Data Archive Web application, use this link, or, go to the Home page for other access options
- To create, or update, a Research Data Management Plan go to the ResToolkit service
- **Note:** the Data Archive service is also available over SFTP, see the SFTP client guide for more information
